

Leaving Manitoba?

Before you Move

Check the vehicle registration and insurance, and the driver licensing rules in your new jurisdiction, even if your vehicle stays in Manitoba.

You may have to register and insure your vehicle and/or obtain a driver's licence shortly after you arrive. It is your responsibility to ensure you comply with the rules in your new jurisdiction. To assist you, contact information for all other provinces is attached.

Request for Claims Experience / Driver Experience / Driver Abstract

Your new insurer may ask you for a written record of your claims experience, driver experience and/or driver abstract in Manitoba.

Your Autopac Coverage Ends When

- You are required by law to register your vehicle in your new jurisdiction, or
- You register your vehicle in your new jurisdiction, or
- Your Autopac coverage expires or you're suspended for nonpayment.

While still in-force, your policy includes all perils, third party liability and Personal Injury Protection Plan coverage.

Your Manitoba Driver's Licence and Autopac Coverage

If you are in a reassessment year or are paying by 12 or 4 payments, you must continue your payments unless you cancel your driver's licence and/or policy. Simply stopping payment with your financial institution or not paying an installment does not cancel your registration and insurance or driver's licence.

This may result in the suspension of your driving privileges in Manitoba and potentially your driver's licence in your new jurisdiction.

Once you have obtained a driver's licence and registered your vehicle outside of Manitoba, send a copy of your new licence and vehicle registration documents with a signed letter requesting we cancel your driver's licence and Autopac coverage. Include your current phone number, mailing address, your Manitoba driver's licence number, or Manitoba Public Insurance customer number to the address above. Or fax the information to Basic Autopac Special Services at 204-985-7670.

Once received, we will backdate the cancellation to the effective date of your documents. If the cancellation results in a refund, it will be mailed to you at the address you provided.

Keep the Transfer of Ownership Document (TOD) portion of your Manitoba registration as proof you own the vehicle.

Please Note: While driving in other jurisdictions, you must obey the laws of those jurisdictions. The laws in other jurisdictions may entitle another person to sue you for injuries or property damage. Even though you may still have Autopac that includes third party liability coverage, it may not be adequate if you are sued. Ensure you have sufficient third party liability coverage before leaving Manitoba.
